

Technology Credit Union Funds Availability Policy

(Addendum to Tech CU Member and Business Handbooks)

In most cases, we will make all funds deposited by check available to you immediately. Depending on the type of check you deposit, and where the deposit is made, funds may not be available until the second (2nd) business day after the day of deposit. The first \$200.00 of your deposit, however, will be available immediately.

Deposits made as follows on a business day are considered deposited that same day:

- In person at any Tech CU Financial Center or CU Service Center office before close of business (business days only).
- At a Tech CU ATM before 1:00 p.m. on the current business day.
- At a CO-OP™ Network ATM before 3:00 p.m. available on the next business day.

Please refer to the Technology Credit Union Member Handbook for information on longer delays.
