If you have questions regarding any of the fees outlined in this schedule, please contact your designated Private Banking Manager.

*An NSF (Non-Sufficient Funds) occurs when we determine that you do not have enough available funds in your Checking Account to cover an item. If that happens, we will either (a) decline or return the item unpaid (a returned NSF), or (b) authorize and pay the item, which will overdraw your account (a paid NSF). If you do not have an overdraft protection source or if your overdraft source lacks sufficient available funds, Tech CU can elect to pay items that would overdraw your account—NSF fees will apply.
