*Available to employees and contractors of member companies. To qualify for \$400, open a new Tech CU checking account by 6/30/24, and complete at least 10 qualifying transactions (including payroll deposits, debit card purchases, bill payments, or electronic payments—excluding bank-to-bank transfers) every month for 6 consecutive months. A \$400 credit will post to the checking account and be available for withdrawal after the last qualifying transaction has been fulfilled. If the checking account is closed less than 6 months after account opening or the required minimum transactions are not completed, the \$400 account credit and any dividends will be forfeited.
