Due to the COVID-19 crisis, my income has been reduced to a level that I can no longer make loan payments. (For example: unemployment, reduced job hours, reduced pay, or a decline in self-employed business earnings.) I have provided additional details below under "Explanation".

EXPLANATION:

Borrower/Co-Borrower Acknowledgement and Affidavit

1. I am requesting a three-month payment deferral on my loan and I understand that interest will continue to accrue on the loan, and the principal balance will not decrease during this same period.
2. If the payment deferral is approved and processed by Technology Credit Union, I will make all necessary changes to any automatic payments I initiated through another financial institution or my Technology Credit Union online bill payment account for the designated months for the deferral period, and then resume for the first month after the deferral period ends. I understand that if Technology Credit Union initiates the automatic payment on my behalf, the next transfer date will be updated to the month that the payment is due after the deferral period.
3. Under penalty of perjury, I certify that all of the information in this affidavit is truthful and the event(s) identified above has/have contributed to my need to modify the terms of my loan.
4. I certify the following:
 - A. My Technology Credit Union membership is in good standing (i.e. I have not caused the Credit Union a loss).
 - B. My loan payment is not more than 30 days past due.
 - C. My loan due date is not more than 60 days in the future.
 - D. My loan is not in bankruptcy.
5. I understand that if the payment deferral is granted, ***my borrowing privileges for a secured or unsecured line of credit may be suspended***. At the end of the payment deferral, I may request reinstatement of borrowing privileges, approval of which will be at Technology Credit Union's reasonable discretion.
6. I understand and acknowledge that Technology Credit Union may investigate the accuracy of my statements, may require me to provide supporting documentation, and that knowingly submitting false information may violate Federal law.
7. I understand that if I have intentionally defaulted on my existing loan, engaged in fraud, or misrepresented any fact(s) in connection with this affidavit, Technology Credit Union may void the Loan Payment Deferral Addendum.
8. I certify that I am willing to provide all requested documents and to respond to all Technology Credit Union communications in a timely manner. I understand that time is of the essence.
9. I understand that Technology Credit Union will use this information to evaluate my eligibility for loan payment relief, but that Technology Credit Union is not obligated to offer me assistance based solely on the representations in this affidavit.
